💼 PROJECTS

1) Fast react pizza system (Repo Link)(Demo):

Technologies which i used in this project:-

− React JS , React Vite , React-router-dom , Redux JS / Toolkit , ESlint , Prettier plugin , Tailwind CSS

→ A menu with many types of pizza , you can make an order , you can delete the order , You can see how long it takes until your order is processed , you can make your order priority .
.

2) Job website by pure JavaScript (Repo)(Database):

Technologies which i used in this project:-
-HTML , CSS , JavaScript , Bootstrap , Axios to fetch data , Alert toastify , Postman
Project features:-
--> Full Responsive wesite , authorization and authentication (login , register) , can post anew job !!! only if you login else you can not , can apply to the job by sent an email to the company using its email , select a job and view its details , in profile page , We display the jobs created by the logged in person, and this person can only delete the jobs he created , Fetch and display jobs in batches (pagination).

3) SR-Gym website by React js (Demo):

-I used : React 18 , Hooks , Material UI for designing , Rapid API to get fake api and React-Router.

4) React App (SR-Notes) | (Demo) :

 -This project is used to write notes and the features that exist in this first version are: adding a note, deleting notes, searching for notes, and saving notes in local storage.

SKILLS

- Html5, CSS3
- JavaScript, ES6
- Sass, Bootstrap, jQuery
- React Framework, Hooks
- Redux , ReduxToolkit
- Context api
- Tailwind CSS
- Material-UI

- Object-Oriented Programming (OOP)
- Figma, Photoshop
- AXIOS
- Package manager (npm and yarn)
- Module Bundler (Vite)
- React-router-dom
- Socked.io

ACTIVITIES

SMART Family, Head in the Academic committee – March 1, 2024.

SMART Family, Vice of Head in the Academic committee – July 30, 2023 - March 1, 2024.

SMART Family, Leader of the web section in the Academic committee – November 30, 2023 To July 20, 2023.

Participation in ECPC Egyption Collegiate Programming Contest - August 25, 2022

Athar Family, Head of Academic committee section – March 29, 2022 To June 2022.
